Bulletin 103-06

November 3, 2006

JUST A REMINDER... I sent this bulletin out May 17, 2005.

MESSAGE FROM THE PRESIDENT

Dear Brothers & Sisters,

The task of the Officers is to maintain the sanity of the Union and enforce the rules popular or not. There are those who choose to ignore the past struggles of this organization, and whenever there is a slight change from the norm, all rules should be suspended or changed to satisfy the desires of few.

COMEBACKS

Class A and B registrants with comebacks are committed to the employer until such time as they are released to the hall (until the job is completed). Volunteering off the floor applies to specific cases, such as men who miss their gangs and cannot check in because the job they called a replacement for is still working.

If you are working, don't ask the foreman to release you. It is your right to call a replacement. You are still responsible to the job if the job is still working and the employer doesn't call you a reop or extra order. Cover your own hide! Call a reop if you need the day off. Don't gimmick and try to come back to the hall the next day to sharp shoot again.

OFFICES OF LOCAL 13

The Offices of Local 13 will be closed on Friday, November 10, 2006 in observance of Veterans Day.

Just a reminder.....

The Office of Local 13 is now located at 320 Golden Shore Drive, Suite 300, Long Beach, CA 90802. Phone numbers remain the same.
